**Website:** E-commerce

## SUMMARY

Aspiring Web Developer with a strong foundation in front-end and back-end web technologies and a passion for creating modern, responsive websites and applications. Proficient in HTML, CSS, JavaScript, and familiar with frameworks like React.js and Bootstrap. Skilled in designing intuitive user interfaces and ensuring cross-browser compatibility and performance optimization. Quick learner and problem-solver with a collaborative mindset, eager to contribute to dynamic development teams. Continuously enhancing technical skills through personal projects, online certifications, and hands-on practice.

## PROFESONAL WED DEVELOPER

Skilled and results-driven Web Developer with strong expertise in designing, developing, and maintaining responsive and user-centric websites and web applications. Proficient in HTML, CSS, JavaScript, React, and backend technologies like Node.js and PHP. Adept at working with modern frameworks, REST APIs, and version control systems like Git. Known for delivering high-quality code, optimizing performance, and solving complex technical problems. Collaborative team player with a proven track record of meeting deadlines and exceeding client expectations.
